Hi Scott

Lek Kadeli and Jeff Frithsen will be attending. Jeff, as per a request from Bob Sussman last night, is creating a one pager on the assessment for the Administrator. This will NOT be appropriate for the sports"men" as the draft assessment won't be public until May 1. They'll create another one for the public. It will likely contain messages that can be used in the meeting.

All that said, I'm not sure we can have this to you in the next hour but we'll get it to you ASAP.

Will there be a calendar invitation sent to Lek and Jeff?

Thanks Liz. I need to get materials into Dru in the next hour. Sonia has some of them for the recent briefing but she's having computer issues as am I. Also, I'm still trying to locate the R10 presentation I saw a hard copy of.

One additional change to the ROS, the Administrator will not begin with opening remarks. If there are key messages and talkers specific to the agenda items the sportsmen will be raising, that would be key.

Thanks!

Please see the draft event plan attached below.

As Murphy would have it, I got served up a Blue Screen of Death and my laptop has been in the shop for a couple days. I haven't been able to update the event plan with this additional info:

- EPA sr. staff at the event
- EPA supporting staff
- Additional 30 min Q&A with staff and sportsmen (12:00 - 12:30)

Please plan on your AA or DAA attending and a few staff members to help with the Q&A - the sportsmen's issues will cover the topics in the event plan which is mostly focused on the Bristol Bay issue. So I'm thinking Nancy, Lek, Janet, Benita. Both Janet and Benita recently met with a group of Women Leaders in the Outdoors including two women who will be in attendance at Monday's event.

Also, Jim Pendergast recommended we include Palmer Hough of the Wetlands Division and Jeff Frithsen with ORD. Regardless, I'll leave it up to you guys as who's best to bring to the table... WOUS is certainly key as well.

I will need talking points on the agenda topics and background on the Bristol Bay assessment by COB today. I saw a presentation recently by R10 on the assessment that looked helpful, but I don't have a copy. I need to get all these docs to the Administrator by Thurs morning - hence the rush.

Thank you!!

Even better.

Here's the draft event plan and the flyer for the Sportsmen for Bristol Bay Summit reception on the 17th that I will be attending.

Total current participants: 40

Doretta/Sherry: please get this participant list to security. I split the group so half arrive at the North Lobby and half through the South Lobby. Please confirm that's how security will process the guests.
